Excellent service and great punctuality by Ernesto and team in Matamoros. Our group was pretty large with over 25 ppl including families and kids. Never did Ernesto miss a thing throughout our stay including accommodation (clean rooms), food, pickup, drop off or luggage. He pre planned everything and made sure we were informed before every step.

Also want to point out that Before even getting to Matamoros our friendly admins Venkat and Bhuvana took care of the Visa slot booking and bank payment very promptly which laid the foundation.

I would recommend usvisastampingmexico and Team Venkat to everyone who is open to go to matamoros as they guide you seamlessly and make the process look Simple.

Yes, It's safe to go to Mexico, Check our reviews, you can find the genuine reviews from our guests.

Based on our knowledge & folks whom we helped, Who can come to Mexico for Visa Stamping ?

- For H1B, H4 , L1, L2, E3, J, K, O Visa's for (Extension/Transfer) Stamping – it means going to US visa stamping in same visa category. (H1 to H1, H1 to H4, H4 to H1, F1 to F1, F1 to F2, F2 to F1, L1 to L1, J1 to J1 etc..)
- Note:
- **H1B to H4 (or) H4 to H1B (considered as same Visa (H) category.**
- **Already had H4 stamping, now needed to go for H1B(1st time in passport) stamping**
- **F1 to F2 or F2 to F1 are considered as same visa (F)category.**
- Planning to move from H1B to H4 after H1B visa denial.
- If you have extensions already in same visa category & need to go for visa renewal stamping in same visa category – you can go to Mexico.
- Ex : You came to US on F1 Visa (Ex: 2011)& moved to H1B(2013) -> Then H1B Extension or Transfer approved (2015) – Then **YES** to Mexico
- **We suggest you to take attorney advise for your eligibility too.**
- We already helped, guided many people for filling DS160, Registering account for visa slots booking, by providing accommodation & transportation for who came to Matamoros for stamping.

I recently changed status (From one Visa Category to another), Am i Eligible to go to Mexico ?

- NOTE : If you recently moved from one visa category to another visa category – F1 to H1B; L1 to H1B – Mexico is **NOT** an option; either Canada or your Home country are the best options for you to go for stamping.

- But if you have extensions already in same visa category & need to go for visa renewal stamping in same visa category – you can go to Mexico.
- Ex : You came to US on F1 Visa (Ex: 2011)& moved to H1B(2013) -> Then H1B Extension or Transfer approved (2015) – Then YES to Mexico

Below Visa Categories Renewal stamping is possible in Mexico.

H1B to H4 or H4 to H1B comes under same H visa category.

F1 to F2 or F2 to F1 are considered as same visa F visa category.

F1 or F2 Renewal

H1B or H4 or H1B1 visa Renewal.

E3 or E3D visa renewal.

L1A or L1B or L2 visa renewal

J Visa Renewal

O-1 Visa Renewal or any other same visa category Renewal.

Note:

- **Note : If you are on F1 visa, your F1 visa expired, but you need to go for your F1 extension stamping or F1 to F2 or F2 to F1, then you can go to mexico (as its under same F Visa category).**

If you changed status or need to change from H1 to H4 or H4 to H1B, you can go for stamping in Mexico. It's considered as same H visa category.
